Sources: JLL OM (rent rolls, cash flows, site plans, ESRI demographics); Gumberg tenant sales reports (Dec-2024 run; full 12-month years only; 'OM' = anchor sales stated in the OM); seller's lease-clause summary workbook (unverified vs. executed leases). Occupancy is from the rent roll; Waterworks excludes a 24,671 SF speculative tenant that the OM counts as leased. Market rents cited are JLL's leasing assumptions.
